GlicRX Announcement

The Health Group is proud to announce we have exclusive access to GlicRx!

GlicRx provides a free discount card that saves people up to 80%* off eligible brand and generic medications at pharmacies including Walgreens, Walmart, CVS, Publix and many more. It provides a huge relief for people who don't have prescription coverage, are underinsured or who have high co-pays.

As one of our valued clients, you have exclusive access to these discounts through the GlicRx website and mobile app. Visit the GlicRx website or mobile app via the links below to sign up and search for discounts near you!

The GlicRx Prescription Savings Program is not insurance.

To learn more about the GlicRx Prescription Savings Program, including eligible pharmacies, included prescriptions and related pricing, and other important terms and conditions and contact information, [click here](#) . *Prescription savings vary by prescription and by pharmacy, and may reach up to 80% off cash price.

The Issue

The spiraling cost of prescription drugs is a major concern for all Americans, often forcing people to choose between taking care of their health and paying bills.

Our Solution

Our solution is a prescription discount card - free to everyone! Consumers can save up to 80%* on cash purchases of eligible prescription drugs at 35,000 pharmacies.

[Click Here to Sign Up!](#)

How It Works

- Search for prescriptions at pharmacies near you at GlicRx.com or through the GlicRx mobile app.
- Use discount card to save up to 80%* off.
- Show pharmacist your card at purchase.
